

A purple-tinted astronomical image showing a dense field of stars. The text 'LAT DC1' is overlaid at the top in a bright, glowing font. The stars are of various sizes and brightness, with a few prominent ones in the center and lower right.

LAT DC1

Tresidder Union, Stanford University
8-9 December 2003

Logistics

- Speakers: We want your talks
- Dinner 7:00 pm at Celia's. Maps on paper will be provided.
- Carpooling is encouraged; please sign up as available driver or passenger (and specify point of departure)
 - Will organize rides immediately after the session this afternoon
 - Last shuttle to SLAC departs 5:30 pm
- Campus maps also will be provided, with suggestions for lunch
- Restrooms are to the left, payphones to the right as you go out the door
- Observe the American political process, such as it is, between 12:00 and 2:00 pm
