Announcements

• Second Instrument Workshop Analysis Meeting @ SLAC:
  – 1 day duration before the Collaboration Meeting
  – End of Sep - Date to be announced by Peter Michelson

• Workload in SVAC group is too high:
  – Xin is overcommitted and I was worried that we did not have enough redundancy in the group

  – Xin tried to solve the problem and consulted his family…
We wholeheartedly welcome our new collaborator…

Stephanie Chen was born on July 28th, 1:23 AM, weigh 6 pound 7
(not sure what it means in Kg, but I am sure she looks good !)

Mom is feeling well…

There will be some ramp up time for her to up and coding like Heather…
