October 2006 Month End
4.1.C EPO**

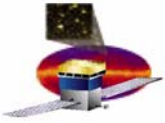

Accomplishments for November

- Phil Plait and Sarah Silva conducted a Black Hole Educator full day workshop at Louisiana Art & Science Museum in Baton Rouge, LA on November 4th.
- Phil Plait, Tim Graves, and Logan Hill attended the *Advanced Imaging Conference* in San Jose, CA. We had the GLAST E/PO booth there and handed out Global Telescope Network flyers.
- We received reviews back from our external evaluators WestEd:
 - [Supernova Educator Guide](#)
 - [Space Mystery Solar Supernova](#)
 - [SLAC Virtual Visitor Center LAT Simulator](#)
- We expect the other Space Mystery to be submitted to our external evaluators in December.
- Organizing a private showing of the GLAST sponsored Planetarium show, *Black Holes: The Other Side Of Infinity* during the GLAST symposium. We hope to have this on February 8, 2007. We will be charging \$20 for transportation to and from Chabot, there is no cost if people have their own transportation.

Accomplishments for November

- We are submitting the following products to the product review.
 - **New Submissions:**
 - Solar Supernova
 - English and Spanish version of the Black Hole FAQ
 - Magnetic Globe Demo
 - SLAC Virtual Visitor Center LAT Simulator
 - Active Galaxies Pop-up Book
 - **Resubmission:**
 - Active Galaxies educator guide and poster
- We ordered the following items in preparation for GLAST launch:
 - GLAST launch magnet
 - GLAST lanyards
 - GLAST updated cubes
- Lynn Cominsky and Sarah Silva presented “High Energy Education and Public Outreach” at the Santa Cruz Institute for Particle Physics on November 28.

September Variance Report

- **We are in the process of catching up on expenses and finishing many many projects.**
- **We expect no impact at this time.**
- **We also are waiting for our remaining FY06 funds to finalize unfinished projects.**
